Describe below any comments you would like to make on the dog training, boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Dear Kat and family,

Thanks so much for taking care of Abby for 2 ½ months while I was in Japan. Welcoming her into your family with love helped her during my absence. Not only did you take excellent care of her but you made sure she was fed properly and had plenty of exercise. She's going to miss all her new friends.

Sincerely,

Norma
