Describe below any comments you would like to make on the dog training_boarding or experience with my business. Please be honest. Please return to me in enclosed envelope. All suggestions help to maintain a good relationship to my clients and animals and make the business the best it can be.

Dear Kat,

We have seen about an 80% change in Milan. I find that amazing. She still has issues and we always correct and use the naughty corner.

If she does not improve, I will pay you to come here to work with her. I think you are a miracle worker!

Thank you again.
